About the Moonbeam Children's Book Awards

Since 2006, the Moonbeam Children's Book Awards have celebrated the year's most exceptional children's books, honoring the authors, illustrators, and publishers who bring stories to life for young readers.

Entries are carefully evaluated by a panel of educators, writers, artists, and publishing professionals, who consider content, design, and originality. Each year, three to five medalists are selected per category to recognize the books that exemplify creativity, celebrate diversity, and inspire a love of learning and reading.
